FRED ENKE MUNICIPAL GOLF COURSE

8251 E. Irvington Road  
Tucson, Arizona 85730

## MEMBERSHIP INFORMATION (For golfers 18 years of age or older)

### WELCOME:

The following information is intended as a brief introduction to our club. It includes **Instructions** on how to become a member, **Membership Application** and the **Fee Schedule**.

The Club was formed in 1984, just six months after Fred Enke Golf Course initially opened for public play.

Our goals and aims are:

*To provide a friendly group of golfers the opportunity for healthy competition...*

*To establish and maintain current handicaps for each member...*

*To generate a predictable schedule of tee times...*

*To promote the game of Golf as well as Fred Enke Golf Course...*

### SCHEDULES

Club tournaments are played each weekend throughout the year. Tee times at City courses are scheduled twice a year through the **Parks and Recreation department**. We also schedule tournaments at a number of other courses in the **Tucson, Green Valley** and **Southern Arizona** area.

We play a variety of formats in an attempt to provide a competitive opportunity for golfers of all skill levels. We also participate in a number of inter-club tournaments.

### TOURNAMENT SIGN-UP

Use any of the following procedures:

Sign-up sheets are available at each event. If you don't see one, ask the tournament coordinator. Sign-up sheets are also available in the Fred Enke Pro Shop until at least 4:00pm on Wednesday prior to a tournament. If you are unable to visit the Pro Shop during the week, you may call 791-2539 and ask the staff to add your name to the list. After Wednesday, you may sign up by calling the weekly tournament coordinator listed on the Green sheet or at [www.fredenke.com](http://www.fredenke.com) on the sign-up sheet or Tournament page.

### CANCELLATION

It is most important to cancel should you not be able to attend an event. If you need to cancel, call the Fred Enke Pro Shop before Wednesday, or the weekly tournament coordinator after Wednesday, as we may have someone on the waiting list. Failure to cancel prior to the first scheduled tee time will result in an assessment of a \$5.00 (team event, \$10.00) "No-Show" fee. This fee must be paid prior to any future participation.

### SCORE CARDS

Scorecards must be legibly written. Any illegible or incomplete card may result in disqualification from tournaments. A complete score card includes:

1. Your full name, legibly written.
2. The Date
3. The Signature of scores and attest (witness).
4. Hole by Hole scores

When you play in a club tournament, your scores will be posted for you. When you play non-club rounds at Fred Enke or other courses, you will need to post your score. You may do so on the computer at Fred Enke or on the computer at the other course. When posting these scores, select the correct course, tees, and adjust the date accordingly. Be sure to adjust your score using the equitable stroke control. **The Pro Shop staff at Fred Enke will be more than happy to assist you.**

## ODDS AND ENDS

USGA rules govern all play. We do not play "*Winter Rules*" at any time. During periods when fairways are being aerated, the weekly tournament coordinator may permit the ball to be lifted, cleaned, and placed. We play from multiple tees at each tournament. Your handicap will be adjusted depending on the tees you play. When we play Low Gross/Low Net events, the tees that are one up from the back will be the default tee for the first flight. You must play either the back or one up tees to be eligible to win a gross prize. All other flights may play from any tee that is in play for that tournament. In all Net tournaments, you may play from any tee that is in play during that tournament. We request that you replace divots, rake sand traps, and repair your ball marks on greens. Repairing more than one ball mark will assist in maintaining the greens at Fred Enke and elsewhere.

### We play four major tournaments per year:

**President's Cup:** A stroke play event creates the field of players, followed by a match play event over 8-10 weeks to determine a champion.

**Jameson Memorial Two-Person Best Ball,** A two-round event over one weekend.

**Ryder Cup,** A two-round alternate shot, best ball event over one weekend.

**Club Championship,** A 54-hole gross/net stroke play event is usually held later in the year.

Eligibility for this tournament is based on a minimum participation requirement established by the Board of Directors (usually 10). Ask any Board member for further information.

Prizes from Club tournaments are awarded in the form of **credit** at the **Fred Enke Pro Shop**. Your account is available at any of the city golf courses. A 15% contribution by the Pro Shop is incorporated into your winnings. Our policy is to pay approximately 25% (or more) of the field for tournaments.

## HOW TO JOIN

Complete and sign an application. Submit the application, along with your dues payment to the Fred Enke Pro Shop. The staff will be happy to answer any questions you may have or obtain answers for you.

### CURRENT FEE SCHEDULE

New Member dues:	\$ 55.00
Hole in One Club (optional)	\$ <u>5.00</u>
TOTAL	\$ 60.00

**Dues for subsequent years are \$45.00** (plus \$5.00 for Hole-in-One) when paid on or before December 1st. Our fiscal year begins on that date. A \$10.00 late fee is added after that date. Of the fee, \$25.00 goes to the AGA for handicap maintenance. The remaining money goes into the club-operating fund. A large percentage of this money is spent augmenting the prizes for our major tournaments each year.

We have **OPEN ENROLLMENT** from October 15th through December 1st. New folks who join at this time will be members through November 30 of the coming year. Effective with calendar year 1999, the Arizona Golf Association Handicap Fee is "one fee per person per year". If you are a current member of the Arizona Golf Association through another club in the State, you may be entitled to a rebate. Contact the AGA at 1-800-458-8484 for a Rebate Form and instructions.

## HOLE-IN-ONE CLUB

The entire Hole in One Club fund is awarded to any participant who scores an ace in a Club tournament. Once depleted, the pot is re-established through the payment of \$5.00 per participant. In the event that the pot is not won during the Club's fiscal year, the monies are carried over. Eligibility in the succeeding year is achieved through payment of an additional \$5.00.

Board meetings are held, more or less, the 3rd Thursday of each month. Contact any Board Member for exact time and place. All members are invited and encouraged to attend. Ask any Board member for further information.
