## MEMBERSHIP INFORMATION (For golfers 16 years of age or older)

### WELCOME:

The following provides some **General information** about our club, **Guidelines** regarding the club, and a Fee Schedule.

The Club formed in 1984, six months after Fred Enke Golf Course opened for public play. Board meetings are held the 3rd Tuesday of each month. Contact any Board Member for exact time and place. All members are invited and encouraged to attend.

*Our goals and aims are:*

*To provide a friendly group of golfers the opportunity for healthy competition...*

*To establish and maintain current handicaps for each member...*

*To generate a predictable schedule of tee times...*

*To promote the game of Golf as well as Fred Enke Golf Course...*

*Fred Enke Board of Directors*

**Competition:** We play a variety of formats both NET and GROSS providing a competitive opportunity for golfers of all skill levels.

### **USGA rules govern all play.**

We do not play "Winter Rules" at any time.

During periods when fairways are being aerated, the weekly tournament coordinator may permit the ball to be lifted, cleaned, and placed.

**Which Tee's?** Your handicap adjusts depending on the tees you play. It is a player responsibility to ensure his/her scorecard is correct. Indicate which tee is played.

Gross - to be eligible to win "gross" you must play either the back or one up tees (waivers permitted)

All Net tournaments- any tee that is in play during that tournament.

Low Gross/Low Net events, default tee is one up from the back for the first flight.

All other flights may play from any tee that is in play for that tournament.

***Those who wish to play from forward of the regular tee's must receive Board Approval.***

**Score Cards:** For most events, scorecards are pre-printed (using default tee & current hcp. index) Check your scorecard for accuracy.

Scorecards should be legible. Any illegible or incomplete card may result in disqualification from a tournament. A complete score card includes:

1. Your full name, written legibly
2. The Date
3. Tees played
4. The Signature and attest (witness).
5. Hole by Hole scores

**General Etiquette:** We request that you replace divots, rake sand traps and repair your ball marks on greens. Repairing more than one ball mark will assist in maintaining the greens at Fred Enke and elsewhere. Also, please help us improve the speed of play by keeping up with the group ahead. Thank You.

## **Handicap**

Posting Scores- When you participate in a FEGC event, the handicap committee will post your score.

It is the responsibility of the individual member to post all other scores.

Ensure the proper score using equitable stroke control.

When posting scores, select the correct course, tees, and adjust the date accordingly.

All city courses and most other courses offer a computer on site to post your score using your GHIN number. The Pro Shop staff will be more than happy to assist you.

Members can post scores using any internet capable computer, logon to [www.AZGolf.org](http://www.AZGolf.org) and post your score online, this will require an AGA online account.

**SCHEDULES:** Club tournaments play each Saturday/Sunday throughout the year. Tee times for City courses schedule twice a year through the Parks and Recreation Department. We also schedule tournaments for a number of other courses in the Tucson, Green Valley/Southern Arizona area.

### WE PLAY FOUR MAJOR TOURNAMENTS PER YEAR:

**Jameson Memorial Two-Person Best Ball:** A two-round event over one weekend.

**Ryder Cup:** A two-round alternate shot, best ball event over one weekend.
