

Policy of the Fred Enke Golf Club
Board of Directors
No. 3

Hole-In-One Club

- 1) The FEGC will maintain a voluntary prize pool for holes-in-one (aces) achieved by contributing members only during club events. The pool is funded by voluntary contributions at the beginning of each membership year or following award of the pool to members who score aces. A single ace scored in a club event wins the entire available pool. Multiple aces in single club round split the entire available pool. The pool must be voluntarily re-funded after each ace and it carries over to subsequent years if not awarded. The Board of Directors sets the amount of the contribution until further notice.
- 2) The pool shall include monies deposited in the FEGC bank account by the Club Treasurer and designated as the hole-in-one account and shall also include hole-in-one contributions received but not yet placed in the Club bank account by the Club Treasurer or the Club Membership Chairman or a Tournament Coordinator up to and including the date of the Club event in one or more holes-in-one are achieved.
(Revised May 15, 2003).
